

# Reception Newsletter

Thursday 24<sup>th</sup> March 2017

In phonics this week the children have reviewed sounds previously taught and focused on reading and writing the Tricky Words and High Frequency words.

In our maths sessions this week the children have been finding 1 more or less than a number and some moved on to finding 2 or 3 more or less than a number. We practised counting in 1s and 10s and matched a number of Easter Bunnies to the numbered Easter Eggs.

Our conservatory is looking beautiful this week as we have already had such a wonderful selection of Easter Gardens on display. The children have enjoyed sharing them with the class and they have done an amazing job! There has clearly been a lot of effort put in and I am so impressed, as are other children and members of staff who have come into the classroom and seen them! On Monday at school the children are going to talk to each other about their Easter Gardens so please can the children bring them in on Monday. We look forward to seeing the rest after the weekend. Many thanks. ☺

The children have been busy preparing for the Mother's Day Presentation this week and have been looking forward to having their mums in. We hope you enjoyed it!

Thank you for parents and children who are able to help look after our lovely chickens, this is very much appreciated! We still have some dates available if you would like to look after them. **Wednesday 5<sup>th</sup> April – Thursday 6<sup>th</sup> April** is free and **April 13<sup>th</sup> – April 17<sup>th</sup> April** is free. Please do not feel you have to do all those dates but if you are able to do any of those dates just let me know by Monday. Many thanks. Please come along on Wednesday after school to find out about how to look after them.

Have a lovely weekend.

Thanks for your continued support.

Miss Dale
