

Young Shakespeare Company – Macbeth

On Wednesday morning, 30th September 2015, Years 4, 5 and 6 had the absolute pleasure of watching Macbeth, performed by The Young Shakespeare Company. The children were thrilled by the whole thing and it was thoroughly educational as well as wonderfully entertaining. The children said it was "awesome, amazing, easy to understand, entertaining, dramatic and unforgettable." All the children were involved in the performance and they couldn't think of one thing that could have made it better.
