Dear Parents and Carers

Re: Run-a-mile Year 1 and Year 3 Thursday 4th May 2017

On Thursday 4th May I would like to offer Year 1 and Year 3 the opportunity to ‘run a mile’ before school starts. They will be able to walk if running is too tiring for them. Many schools have trialled running or walking a mile before starting the day and have found that the benefits to energy levels, focus and participation in lessons is very positive, as well as keeping the children fit and healthy. It will mean that they need to come into school at approximately 8.20am as we will be starting at 8.30am promptly. They can come through the front entrance and straight into their class so that we can take a quick register before we put our plimsolls on and set off!

Obviously your child does not have to take part in this, therefore it will be necessary for you to notify us of their participation by returning the slip below. This will enable us to make adequate provision for them during the event. I will be running this along with their class teachers, this should be an invigorating start to their school morning.

Kind regards

Mrs Wardle
