

CLASSROOM NEWS

'Take a peek at our week'

Week 3: 19/9/16 - 23/9/16

THIS WEEK'S LEARNING

English

The children have this week worked on the ingredients for their own myth. They have written a paragraph about the setting and the bad/mean character, trying to use detailed, descriptive vocabulary. They also devised their own mythical creature and had to describe it using the senses.

Maths

We have been busy counting in multiples, solving problems and learning about Roman numerals this week. In mental maths we have been learning about number bonds, decimal numbers and times tables.

Paralympic Day!

We had a very inspiring and enjoyable day. The children took part in all activities with enthusiasm and interest. They had to work in collaboration with other children and had to try to stay calm when things did not quite go their way. In Year 4, the children had to stack cups using only one hand, a rubber band and some string. They were not allowed to touch the cups with their hands, only the rubber band...it was great fun and the children showed real perseverance.

RE

This week we learnt about two Bible smugglers; William Tyndale and Brother Andrew. We discussed why they would risk their lives smuggling Bibles to other countries. This led to a discussion about our own most treasured possessions and why these items are so important to us.

Hindu Temple trip
Monday 14th November
Neasden, London

Guided reading:
We read a fable this week and discussed morals of stories.

Please ensure your son/daughter has a water bottle at school every day.

Please could you also ensure your child has the appropriate PE kit in school? Some children do not seem to have jogging bottoms and some children have been mentioning that their trainers are too small.
