

Year 1 Newsletter

Friday 31st March 2017

Dear Parents and Carers,

We have had a very busy week, preparing for our class assembly and getting ready for Easter. Thank you so much to all of you who were able to make Year 1's Act of Worship on Thursday. It's lovely to have so much support and the children were very excited to have you there. The children did amazingly well and worked so hard for it, so definitely deserve their Easter break!

This week, we looked at the story of Cinderella. We wrote a list of jobs that she had to do for the Ugly Sisters. Then we wrote an invitation for the Prince's Ball at the palace. Once we had completed the invitation, we wrote a reply to the prince from the Ugly Sisters and Cinderella.

In maths we looked at some different types of maps and had our first try at reading coordinates. We used coordinates to find different characters from the Easter story, who had been placed around a map.

Today we had another forest school session. We made crowns out of willow vines, built castles from sticks and had lots of fun in the stream!

Next term, we will focus on stories that are based on travelling and journeys. We will also learn about Neil Armstrong and his famous mission to the moon. We will also continue our plants topic for science. The children's new groups for show-and-tell will be:

| Monday | Tuesday | Wednesday | Thursday | Friday |
|--|--|---|---|--|
| Rockets | Boats | Balloons | Submarines | Helicopters |
| Chloe Harry Kaden Tilly Greta William | Xander Lewis C Scarlett Lewis L Amélie Ella L | Ella J Maisie Oliver Grace George Joseph | Maya Emma Lily Luke Amelia Alfie | Jake Megan Rhys Daisy Evan Florence |

Have a wonderful Easter!

Kind regards,

Miss Hutchings
