The end of term is here and a well-deserved rest for all of the children is needed. They have all worked very hard this term and I hope to see this continue after the break!

Thank you for all of your continued support with the children's spellings and homework, I know this can be timely but, the results are amazing.

I hope you all have a lovely Christmas break! We will see you all again in the New Year.

Homework

There is no homework over the Christmas holidays. It would be appreciated if the children could read during the time off, however this doesn't need to be every night.

English:

In English, we have been using the John Lewis Christmas advert to help to inspire our thinking. We have watched the advert and thought about how all of the different characters might be feeling through different scenes. We thought of some fantastic ideas and shared these confidently with one another. We used our ideas to create a diary entry for one of the animals, describing the day's events as well as how these made them feel.

We then thought about the main character of the advert, the dog, and how we could help him. We designed his very own dog trampoline and thought carefully about how people might be persuaded to buy this. We designed a persuasive advert to convince people that they needed to buy the product to help to improve the dog's happiness.

These adverts looked fantastic and it was clear that the different elements had been thought about very carefully.
