9th January 2017

Dear Parents and Carers

Re: The Astrodome

As you know, the children have been studying Earth and Space. To enhance our learning, I have arranged a visit from the Astrodome on Monday 25th April 2016.

Here is a little information about the Astrodome, taken from their website:

“Astrodome’s unique Space Show has been delivered to over 4000 schools in the UK and we have returned many times to these schools so they can see this exciting educational presentation again. We have featured on BBC Radio and have lectured in several institutions around the country. We are frequently one of the main attractions at the University of Kent’s Space Open Days; Kent’s Festival of Science and has also been seen on BBC TV, Meridan TV and Channel 4 Television for Schools programme.

The Space Show takes us all on an imaginary space-flight from Earth to the outer edges of our solar system, teaching the all-important movement that affect our everyday life.

Set in a planetarium where over 18000 stars are projected together with models, music and moving picture views of the planets; the Astrodome provides a unique way of teaching this difficult subject in a stimulation environment.”

We need to ask for a voluntary contribution of £5.00 per child towards the cost of the performance. This can be paid by Schoolcomms, our preferred method of payment, cash or cheque (payable to Leybourne School).

Please complete and return the slip below by Monday 16th January 2017, if you need longer to make the payment please let us know by adding a note to the slip.

Kind regards

Mr S Deakin

We promote the learning and development of all children to achieve their full potential in a caring, happy, Christian environment.

Re: The Astrodome

I understand that my child will be watching the Astrodome Show on Tuesday 17th January 2016.

Please tick as appropriate:

I have made the voluntary contribution in the following way
