

Year 5 Newsletter

Hello, I hope you have had a great week.

In Maths, we have started a new topic looking at graphs. This week we have been focussing on line graphs, solving word problems from them, and also drawing our own graphs from data we have gathered.

In English, we have begun a new topic, looking at the narrative poem, 'The Highwayman'. The children have worked extremely hard, and have understood the poem, the language and the story Alfred Noyes is telling. We have looked at powerful imagery, difficult language, and we have retold the story from a characters viewpoint.

In History, we have continued our topic of the Tudors. We have learnt about and compared Tudor health, hygiene and health to that we have today.

In RE, we have learnt about the Epistles of St Paul. We have studied Bible passages, and discussed the meaning of these and what we can learn from them today.

For home learning, I would like the children to search and find 'good news stories' from around the world. This can be acts of kindness, people showing our Christian Values, or a heart-warming story. They can present these how they like, but should be on A4 paper please. Can this be completed by Wednesday 19th October please?

I hope you have a wonderful weekend,

Mr Deakin
