

Year 5 Newsletter

Hello parents,

I hope you have had a great week.

In English this week, we have started our new book 'Charlie and the Chocolate factory'. From this, we have written a letter to Prince Pondicherry, giving our own ideas for a sweet palace, written a newspaper report on the chocolate palace melting and we have written a diary entry for Charlie about the day he found the golden ticket.

In Maths, the children have been solving algebraic equations, finding algebraic formulas for sequences, finding prime numbers from 1 - 200 and ordering decimals to three decimal places.

In Science this week, we have continued with our topic of 'Living things and their habitats'. We have been labelling parts of plants and finding out their functions.

On Wednesday morning, the children completed a morning in silence! The teachers had a wonderful morning, but we are proud of all the children, they raised a fantastic amount of money from doing it and that's before the bake sale! Also, thank you to those who have donated, made cakes and become hairdressers this week - I really appreciate it!

I hope you have a great weekend,

Mr Deakin
