Dear Parents

Year 6 Cover Arrangements

With the wonderful news that Mrs Holditch's baby has arrived safely, I have taken up the role of Acting Head Teacher and Mrs Grinstead is now Acting Deputy Head Teacher. Since this happened slightly earlier than anticipated, Mrs Holditch was unable to inform you of arrangements for cover in Year 6, as she fully intended to do.

As you can see from the timetable below, Mrs Grinstead will continue to teach all Maths, English and RE lessons. Other curriculum areas will be taught, as far as possible, by subject specialists. For example, Miss Harrison is a specialist in computing and PE is one of Mr Deakin's areas of expertise. All those covering Year 6 know the children very well and they will liaise closely with Mrs Grinstead when planning lessons and assessing progress. The intention is to stick closely to the agreed timetable, although there will occasionally be events that occur which will require some flexibility.

We are confident that the children will continue to receive highly effective teaching at all times. In fact, having different teachers for some subjects will further support the children's transition to secondary school.

If you have any queries or concerns about the arrangements, please contact me via headteacher@leybourne.kent.sch.uk

Kindest regards

Therésa Jaggard
