Year 6 letter

Dear Parents,

This week the children wrote their explanation texts and a piece of creative narrative with flash-backs, based on a short film called 'The Piano.' In maths, they worked on whether to use mental or written methods or jottings to solve calculations and they practised ratio. Other work included discussing beliefs in RE and looking at fossils in Science.

Today, lots of the children were representing the school in football and netball tournaments and the rest of the class enjoyed a Forest School session.

Photos for the Year Book

Many thanks to Mrs Ayoub, Mrs Griffiths and Mrs Passmore for giving up their time to take some lovely photos for the year book.

Home learning

Over half term, I would like the children to find out as much as they can about Leybourne Castle and produce a piece of work about it in any form they like. It could be a leaflet, a poster, a written description, a painting, a collage or even a 3D model, if they are feeling particularly ambitious! All work should be returned to school after the holiday.

Teacher of the Week

Everyone certainly enjoyed Jess N's teacher of the week presentation! She told the class all about baking, including many fascinating facts. Then, she had made 60 cakes and had brought in icing and all sorts of toppings, so the class had a fantastic time decorating (and eating) cakes.

School Journey

Two weeks today, we will be off to Osmington Bay! I have included a copy of our timetable, so you can see what we will be up to. A few reminders:

- Please arrive at school at 8:40am on Friday 9th June, we will depart at 9:00am
- Don't forget there is just a sheet on the bed - children need a pillow and a duvet or sleeping bag. These can be in a big bag.
- No spending money is needed.
- Children may bring a **few** sweets for the journey
- A packed lunch and a few drinks will be needed in a small back-pack
- Any medicines need to be in a named bag with a completed medical form and should be given to me on the morning of departure
- We will send a School Comms message to let you know that we have arrived safely and to confirm what time we should be arriving back at school on Monday 12th June. We hope to be back around 5pm.

- *No mobile phones or electronic devices are allowed*
- *Don't forget to pack plenty of sun cream (and waterproofs, which we are more likely to need, knowing my luck!)*

Have a great week!

Best wishes,

Louise Grinstead

Osmington Bay
