

Year 6 letter

Dear Parents,

This week, the children have worked very hard preparing for the maths, reading and SPaG tests. They have also written a really long story, in which they have tried to demonstrate every element required to be at the 'expected level in writing' for Year 6. In science, the class had fun producing dog Top Trump cards, as part of their work on

evolution and inheritance and since their history work was about the history of Leybourne Church, Mrs Bowie took the children over the road for a visit.

On Monday, we were visited by David Fuller, the children's author. He gave a fascinating talk and read extracts from some of his books.

Since last Sunday was St George's Day, Farley and Lillie represented that team and led a whole school assembly with great confidence.

Teacher of the Week

This week it was Lauren's turn to be the teacher and her subject was musicals. She gave a clear and interesting talk and then the children had fantastic fun playing a game, where they had to act out different musicals for the rest of the class to guess.

Silly Socks Day

Much praise is due to Amy, for organising today's Silly Sock Day. Wearing silly socks was such a simple, fun and effective way to raise money for CLIC Sargent - a cause really close to our hearts. As I write, I am looking forward to Amy's cake sale at the end of the day. It is great to see a member of our class thinking of others in this way and showing such initiative to raise money for charity.

Home learning

This weekend I would like the children to complete a SPaG test. I would like it returned on Tuesday please.

Have a lovely long weekend,

Best wishes,

Louise Grinstead
