

2nd November 2017

Dear Parents,

In maths, the children have been adding and subtracting fractions. They also started to find equivalent fractions and are able to show a tenth of a shape. We will continue to look at finding fractions of amounts next week.

I have been testing the children on their high frequency words this week; they have been doing really well. I would like them to recap wherever possible as they still spell lots of words incorrectly in their writing, especially those ending in 'ed,' which is often written using a 't.' I am sending home new spellings for them to learn alongside the high frequency words.

This week in English, the children visited Narnia, with snow on the ground and snowflakes in the trees. They even came across a strange character, Mr Tumnus! This enabled them to complete some fantastic, imaginative writing. The children even had a whole morning of writing on Thursday, which enabled them to write their own version of Narnia, with them as the main character.

I would like to show them the film next Friday as they have thoroughly enjoyed the clips we have seen so far, if you have any concern with this please let me know. I would also like to bring some 'Turkish Delight' in for them to try, as they will be advertising it the next day. Again, please let me know if they are unable to try it for any reason.

I have a few parents evening slips that have not come back, I have slots available, but any appointment given out now will be one of these limited slots.

2nd November 2017

For homework this week I would like the children to show you what they have learnt about fractions. This is due back on Wednesday as usual.

Kind regards,

Mrs Wardle and Mrs Patterson
