17th March 2017

Dear Parents

Re: Bikeability Cycle Training May 2017

Thank you for returning the slip confirming that your child would like to take part in the Bikeability Cycle training days in May.

Please find enclosed the Bikeability booklet, for your information. The Parental Consent Form at the back of the booklet needs to be completed and returned together with your payment of £10.00 by Monday 27th March 2017. (If you need a longer period to make the payment please let me know.)

The children will have two sessions, the first will be a morning on the playground for their Level 1 training, this will either be on Friday 12th or Monday 15th May 2017 (we will confirm nearer the time which session your child is booked on). This will be followed by a full day on the road for the Level 2 training during Tuesday 16th to Friday 19th May (again confirmation will be sent to you once the groups have been organised).

The instructors will check your child's bicycle to make sure that it is roadworthy. Both front and rear brakes must be working efficiently and both tyres should be pumped up and in good condition (no splits, bulges or bald areas). It is important that the cycles fit their riders and if necessary, the instructors may make adjustments to the saddle and handlebars. They will not be able to fix punctures or complete other major maintenance work.

If you have any further questions please let me know.

Kind regards

Julie Hardy
Office Manager

We promote the learning and development of all children to achieve their full potential in a caring, happy, Christian environment.
