

Our fantastic Walking Bus needs help!!!

After many years of wonderful service Mr & Mrs Middleton are ready to hand the running of the bus on to someone new.

There is a good team already in place – it just needs a leader from September!

We all know the benefits of a well-run Walking Bus:

- More healthy, confident and independent children
- Fewer cars on the road
- Less competition for parking spaces
- An easier life for working parents

If you are interested in helping the Walking Bus please talk to the school office.
