Father Matthew's quote of the week

"Do all the good you can. By all the means you can. In all the ways you can. In all the places you can. At all the times you can. To all the people you can. As long as ever you can."

John Wesley

Brilliant Book Fair!

Thank you so much for supporting the school book fair so brilliantly. The two days of the fair were really busy and £952.81 worth of books were purchased. As a result, the school made £571.78 commission and all the classes have chosen lovely new books for their class reading corners.

A special mention and many thanks must go to Mrs Reeves. Running a book fair involves a huge amount of work and it wouldn't be possible without her.

Competition winners!

There were many great entries to the 'Write a Story Starter' competition. The winners each chose a book from the fair as their well-deserved prize. Here are the winners and their story openers:

Joseph R Year 2

Once there was an alien who lived on the moon. Suddenly a loud voice rang out of the sky, in surprise he fell off the moon. A minute later he landed on a cloud. For some reason someone pushed him off the cloud. He fell down to Earth and bounced!

Freya H Year 3

One stormy night a messy young girl called Melissa Perkins was ambling in a terrifying forest. Suddenly a bright light shone upon her. All of a sudden she zoomed into outer space. She landed on the moon, then she spotted a mysterious, green alien hiding behind her back...

Esmac C Year 4

Falling, falling, tumbling, rolling, cascading downwards, my heart was beating so fast that it felt like it was going to burst out of my chest! My skin was raw from being cut and scraped. Suddenly, it all came to a stop. I was hanging there suspended!

Eva H Year 5

Bang! Crash! Boom! I awoke from my slumber, as all of the pots and pans fell loudly down off of the unstable wooden shelf. There was a creak in the uneven floor boards. My parents were still in bed, so it could not have been them. Who was downstairs?

Isabella O Year 6

I lifted my disorientated body and tried to focus my heavy eyes on the gleaming dials of the time machine. Had it worked, the most important mission of my life?

20/04/1900 - Yes! I stared through the glass and the birthday boy's eyes met mine - Adolf Hitler aged 11...
