

Dear God,

Thank you for the birds and bees,  
And for the <sup>wild and</sup> wavy seas,  
Thank you for the terrific trees,  
And for the <sup>brilliant</sup> beautiful breeze.  
Thank you for the super sunrise,  
And for the <sup>stunning</sup> sunny skies.  
Thank you for the power of love,  
And for our trust in you above.

We hope to ~~care~~ <sup>year</sup> care for all things everythings  
And to spread the hope you bring.  
We hope to keep our people humble,  
And to help each other when we stumble.  
We hope to make everyone happy,  
And to keep our temper and not be snappy.  
Help us <sup>so we</sup> to hear you when we pray,  
So we can make a real difference today.
