

*My Kitten and I*  
*by Niamh W*

*I went to the park with my kitten  
We played on the monkey bars  
We stayed there all day and all night  
And we saw lots of shooting stars*

*We slept in a gigantic caravan  
With my sisters my mum and my dad  
Then we went to the beach for an ice – cream  
And my kitten was extremely glad*
