

AFTER SCHOOL

So fun... it won't feel like learning!!

BRICKS
4 kidz

we learn, we build, we play with
LEGO® Bricks

*****NEW THEME*** Forces of Nature!**

****STARTS after Half Term on Wednesday 21st February****

One hour classes focused on STEM principles, learning and playing with Lego® bricks.

Fasten your seat belts; we're in for some wild weather! This unit is all about the amazing and powerful forces of nature, as students explore the when, where, how and why of all kinds of natural phenomenon. There is a lot of geography in this unit -- we'll examine a map of the Pacific "Ring of Fire" where most tsunamis occur, view a diagram of the tectonic plates and learn how their movement creates earthquakes, define the area known as "Tornado Alley" in North America, and find out what hurricanes are called in different parts of the world. Kids will love to build moving models of a tornado, a tsunami, an earthquake and a cyclone. Learn how they move, why they happen and what you can do to stay safe!

Classes follow the Bricks 4 Kidz® motto: We Learn, We Build, We Play.

We Learn - Screened, trained Bricks 4 Kidz instructors provide a 5-10 minute themed lesson at the start.

We Build - Students build a new model each week in pairs with simple step by step instructions.

We Play - Students are creative through free play time at the end and use their imaginations to build whatever they choose from our huge amount of Lego® bricks.

- Further develop fine motor skills for girls and boys and increase awareness of engineering and science concepts all through Lego play!
- Open to children in Yr1 - Yr6.
- Develop an appreciation for how things work.
- Build self-confidence and problem solving skills and encourage teamwork.
- Trigger children's lively imaginations and provide a safe, enriching place to create and play.
- Increase general knowledge through discussions related to each model.
- Cost is £36 for 6 weeks payable in advance to secure a place.
- Payment via Paypal or BACS to Account No: 00675474 Sort Code: 20-18-93.
- Every Wednesday straight after school 3.15pm - 4.15pm.
