Dear Parents

Sports Kits

We have been lucky enough to be granted funding for the purchase of new sports team tops, to be worn at events attended by the children throughout the academic year. Leybourne are renowned for attending many PE events and being successful in this field. It really is great for the children now to have the new kit and look smart when representing the school.

If your child attends an event in the future, and is allocated one of these tops, please ensure that they are washed and given back to us as soon as possible afterwards. We have had children leave and not give them back, meaning we then have to buy more.

We are also hoping to update the netball kits in the future; they were provided quite some time ago and unfortunately we do not now have the full team kit. If there are any parents who know of, or even own, a local business that would be interested in sponsoring us with new kits, we would be very pleased to hear from you. We would happily advertise the business where possible at the events we attend. In the past, the company logo has been on the kit, this is obviously fine as long as it is not advertising anything that is not suitable to be linked with a Church of England school.

Please do contact me via the school office if you are able to help with this matter, in the meantime, we will also aim to hold another sporting event to raise funds next year. Thank you for your support.

Yours sincerely

Mrs Wardle

We promote the learning and development of all children to achieve their full potential in a caring, happy, Christian environment.
