

Friday 19th October 2018

Year 6 letter

Dear Parents,

This week in English, the children completed their non-chronological reports about a dragon, then planned and wrote a set of instructions for how to trap their dragon. Finally, they wrote a persuasive advert for an estate agent to use, in order to sell a very dilapidated house. In maths, the children learnt to interpret and draw pie charts, as well as finding unknown angles in triangles and quadrilaterals and angles on a straight line, at a point and vertically opposite angles. We have done lots of history this week, finding out about Dunkirk, the Battle of Britain and the Blitz. The children also carried out research about rationing.

Teacher of the Week

This week, Megan was a fantastic teacher. She had made an excellent PowerPoint about the RSPCA and her presentation was really clear. There were lots of, "Ahhh" moments with cute pictures and videos and the children all did very well in her quiz.

Forest School

The dates for our Forest School sessions next term are as follows: Tuesday 30th October, Friday 23rd November and Tuesday 18th December. We really need volunteers to help at these sessions, so if you are available to help at any of them I would greatly appreciate it.

Home Learning

This is the task that has been given to the children:

Home Learning – Air Raid Shelters

Find out about one or more air raid shelters that were used in World War 2. Present your findings any way you like. You could use a computer and produce some information and pictures, or you may choose to be more creative – you could draw a detailed diagram, paint a picture, make a collage, bake a cake or even construct a 3D model.

Bring your work back to school by Monday 5th November

Anderson shelter

Morrison shelter

Please note that the children's version says that the completed project should be returned to school by the end of the week after half term, but several children said that they were away during half term, so I have given them an extra weekend.

I can't believe that term 1 is over already! I think we are all in need of a rest though, so I wish you all a great break.

Best wishes,

Louise Grinstead
