Year 4 Newsletter

Hello

I hope you had a wonderful week.

In English, we have continued our topic 'Myths and Legends'. This week, the children have written their own myths including the characters they created. The children have also been learning about speech marks, sentence openers, noun phrases and paragraphs. The myths the children have written were fantastic to read!

In Maths, we have been working on a variety of mathematical concepts. We have been using co-ordinates to write jokes, we have been using a 2-D grid to explain the position and direction of shapes and we have completed an arithmetic test. The children have worked brilliantly throughout the week.

In Art, we have been using pastels to create our own volcano pictures. The children drew some fantastic pictures and they will look great on our volcano display when they are finished!

In Forest School, the children were their usual brilliant selves! They made quesadillas on the fire, created firework pictures, made firework spinners, created dens, a café, played in the stream, on the rope swing and climbed trees!

For home learning this week, I would like the children to go on 'TT Rockstars'. I would like the children to complete the 'studio' section of

the programme so they have a baseline speed they can work to beat! The children are also learning spelling list 7, for their test on Thursday 15th November.

I hope you have a great week,

Mr Deakin, Mrs Gibbs and Mrs Ward.
