

Reception Newsletter

Friday 14th December 2018

I cannot believe we have nearly reached the end of another term! The children have had a fun packed week! I was ever so proud of the children for performing so well in the Nativity this week. Their singing was amazing, thank you for providing their clothes to wear for the performance.

The children enjoyed the Christmas lunch on Thursday, it was very tasty and everyone looked fantastic in their Christmas jumpers.

The children have worked really hard to create their Christmas cards, calendars and other Christmas decorations, we hope you like them! They will be coming home soon! There was a lot of glitter involved (apologies!) The children learnt about the different processes clay goes through and their finished snowmen look wonderful. The children cannot wait to show them to you!

We had great fun making chocolate truffles and they will be coming home to you soon! The children learnt about different cooking processes and we discussed solids, liquids and the melting process. The best bit was trying the chocolate before making the truffles though!

Thank you for all the people who have volunteered to chicken sit, your support with the chickens is very much appreciated! ☺

I have supplied you with a Home/School Links Sheet which I would like you to discuss with the children and complete please. Please return the sheets after the weekend or when we return to school in Term 3. Many thanks.

This will be my last newsletter of the term so I would like to say that the children have done amazingly well settling in to school this year and I am very proud of them! They all need a good rest and lots of sleep! I hope you all have a lovely Christmas and a happy New Year. I look forward to seeing you all again in the New Year! ☺

Best Wishes,

Miss Dale
