Year 4 Newsletter

Hello

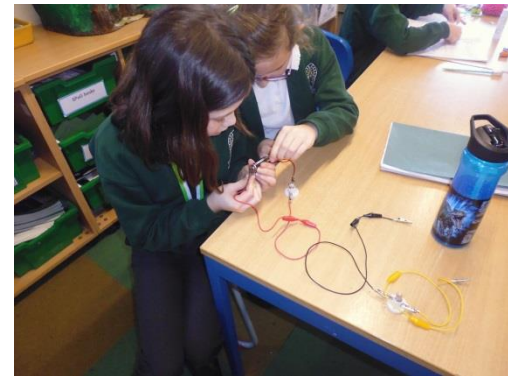

I hope you had a wonderful Christmas and a very happy New Year. Mrs Gibbs and I would like to thank you for the lovely gifts you gave us for Christmas - it was very generous and thoughtful.

In English, we have started our new book, 'The Iron Man'. The children have written a new story opening and they have written a descriptive recount of the Iron Man tumbling down the cliff and rebuilding himself! The children have also completed a reading comprehension about the author Jacqueline Wilson.

In Maths, the children have been solving word problems using their addition and subtraction methods and they have been rounding numbers to the nearest 10, 100 and 1000. We have also been to the ICT suite to continue using TT Rockstars.

In Science, we have started our new topic 'Electricity'. The children have been listing objects that use electricity - we had some great discussions about cars. The children have also been creating circuits and investigating whether certain circuits would work or not.

In topic, we have also started our new topic all about Italy! We have been using a map to label the 20 regions of Italy and we have also been labelling the surrounding seas.

For home learning this week, I would like the children to complete spelling list 1 from their new spelling books. I would also like the children to complete the tasks set on Purple Mash from this week.

I hope you have a great week,

Mr Deakin, Mrs Gibbs and Mrs Ward.
