## Year 4 Newsletter

Hello

I hope you have had a wonderful week.

In English, we have continued our new book, 'Billionaire Boy', by David Walliams. This week, we have written a formal letter of complaint to a magazine and we have written a newspaper report. We have also decided if statements are true or false in chapter three and we have completed reading comprehensions about chapters four and five. In SPaG we have discussed speech marks and the use of colons.

In Maths, the children have been multiplying and dividing by 10, 100 and 1000. The children have also been converting units of length and weight.

In Science this week, we continued our new topic, 'Sound'. The children explored how we hear sounds and then created a television program for children about it.

In Forest School, the children were brilliant yet again. Many children unblocked the stream, and created multiple cafes (I have never had so much mud coffee before!), dens and an animation using the iPad.

The children looked fantastic in their World Book Day costumes and enjoyed creating their own friendship poems for our competition. The children also went to Reception class, where they read with the children beautifully!

For home learning this week, I would like the children to complete spelling list 8 from their spelling books for their test on the 21<sup>st</sup> March after Carrotty Wood. I would also like the children to read and record it in their reading records.

I hope you have a great week,

Mr Deakin, Mrs Gibbs and Mrs Ward.
