*Fusion Art Club will recommence in Term 5 on Tuesday 23rd April 2019 and will run to 21st May 2019. As before the session will be from **3.20 to 4.20pm**. This will be 5 weeks at £5.00 per session meaning a total cost of £25.00 for the term.*

The club is open to all children from years 2 to 6. If you think your child would like to join our happy band of artists then please contact me by email or phone prior to attending the sessions.

*Last term the young artists have been challenged to make maquettes out of simple materials i.e. paper, masking tape, pipe cleaners and cardboard. They enjoyed the process and were surprised by the end results. In term 5 we shall explore illusional drawing by artists such as Escher who used monotone and 3D effects to create optical illusions. We shall also use chalk and oil pastels in an experimental way to see how they respond to another medium. This can be tricky, but I am sure they will have fun using them and exploring all the new possibilities! This is a messy medium so **please ensure they have an apron!** Have a super Easter holiday!*

***Many thanks for all your support
