

Year 2 Newsletter

Friday 18th October 2019

In Forest School the children baked bread over the camp fire and also put some cereal-box houses on the fire pit to see how quickly The Great Fire of London would have spread.

Mrs Murray was so impressed with all the children; they listened well and had a fantastic session! Thank you to our parent helpers, your support is greatly appreciated.

The children will not have any spellings to learn over half term, but there will be a tables test on the first Friday back. I just wanted finish by saying that Mrs Patterson and I have had such a wonderful first term with your children in Year 2. They are a really lovely group of children and are all working so hard.

Have a lovely half term!
